**Introduction**

This booklet provides a list of Clear One Health Plans' in-network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Member Handbook and Clear One Health Plans' formulary. If you have additional questions, please call our Member Services Department at (541) 385-5315 or toll free (888) 863-3637, 7AM to 8PM PT, 7 days a week. TTY/TDD Users should call (800) 735-2900. Or, visit [www.clearonehp.com](http://www.clearonehp.com).

We call the pharmacies on this list our "in-network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. An in-network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Clear One Health Plans. In most cases, your prescriptions are covered under Clear One Health Plans only if they are filled at an in-network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our in-network pharmacies. We will fill prescriptions at out-of-network pharmacies under certain circumstances as described in your Member Handbook.

# Clear One Health Plans' Network Pharmacies

Pharmacies are listed in this directory in the following order: Pharmacy Type, State, County, and City. Pharmacies are then listed alphabetically by pharmacy name.
